When booking your bridal party, we require a completed bridal contract along with the following information:

-First and Last name of each client

-Phone number for each client

-Services requested for each client

We recommend booking a consultation and trial at least 4 weeks before your wedding.

At that time bring pictures and ideas of hairstyles and photo of your dress to help give our stylist ideas.

The day before your wedding wash and blow dry your hair using minimal product.

No flat ironing as this will effect how your hair will hold curl the next day.

\* A minimum of 3 people, including bride, are required to book an off-site wedding.
